10 December 1980

MEMORANDUM FOR: Chief, Policy and Plans Group

FROM:

[REDACTED]
Deputy Director of Security (PTOS)SUBJECT: Entries for the DDA Log--
2-9 December 1980

1. Industrial Security audits were completed at four contractor facilities in Massachusetts. (U)

2. The fact-gathering portion of the comprehensive security audit of the Intelligence Community Staff has been completed. The two auditors are now in the process of finalizing their recommendations. Once the recommendations have been concurred in within the Office of Security, a series of briefings will be held with Intelligence Community Staff officials regarding the results of the audit. (U)

3. Security Support was provided to NFAC officials testifying before the House Appropriations Defense Subcommittee on 9 December 1980. The support included a technical inspection of the hearing room, counteraudio monitoring during the hearing, and escort service for the classified transcripts. The subject of the NFAC official's testimony was the Polish situation. (U)

4. A member of the Safety Group who has been conducting safety and health inspections in NE, EUR, and AF overseas areas since 10 November has arrived in [REDACTED] and is expected to complete the trip by 12 December 1980. (U)

5. A member of the Safety Group conducted comprehensive safety and health surveys of the FBIS, [REDACTED] facilities, and the [REDACTED] and OS, [REDACTED] (U)

6. On 3 December, Chief, Information Systems Security Group and a representative of the Office of Communications
